TERMS AND CONDITIONS OF SALE

TERMS

Cash discount 2% 15 days, net 30. The cash discount is allowed on merchandise only. Prices are subject to change and each order will be priced on the basis of prices in effect at the time of order. All orders are subject to approval of our office in Ontario, Canada. Possession of this price list does not necessarily constitute an offer by the Company to sell to the holder on the basis of the terms described herein.

MINIMUM ORDER

\$250.00 net.

TAXES

Any and all sales, manufacturers' taxes and/or other charges levied or imposed by any governmental authority, foreign or domestic, upon any merchandise sold or contacted to be sold shall be paid by Customer and added to the purchase price unless satisfactory and appropriate tax exception certificates are supplied to the Seller.

OVERDUE INVOICES

Interest charged at a rate of 1.5% per month on all overdue invoices.

FREIGHT

\$1000.00 net for prepaid freight.

All shipments are F.O.B. seller's factory or authorized warehouse. Prepaid orders will be shipped via the most economical route of our choice. If the Customer selects a route with a higher rate, the difference will be charged to the Customer.

SHIPPING RESPONSIBILITY

Canplas' responsibility ceases when the carrier signs for the shipment in good order. We cannot be responsible for loss or damage to goods in transit, or delays or carriers in delivering shipments or for damages resulting from such delays as those caused by fire, explosion, act of God, strike or other difference with workmen, shortage of material or labor, delays in transportation, government restrictions, war, riot, civil commotion or cause beyond our control. Where shortage or damage is apparent, details should be noted by the carrier on the freight bill at the time of delivery. In case of concealed damage, carrier should be called at once to inspect the damaged shipment. Do not return damaged goods.

RETURNED GOODS

A Returned Goods Authorization Form issued by Canplas must accompany goods which are returned. We reserve the right to refuse the return of any item that is not a regular stock item with Canplas. On items that are acceptable for credit, a restocking charge of twenty-five percent (25%) will be assessed against the credit to cover our handling, and/or inspecting or repackaging. Freight on returned goods will be the responsibility of the customer unless the reason for the return is due to defective goods. All goods returned must be in a saleable condition.

WARRANTY

Seller's products are carefully inspected for manufacturing defects, however, it is not always possible to detect hidden defects. Said products are warranted only to the extent that Seller will replace without charge, products proven to have manufacturing defects within 6 months of the date of delivery thereof and provided Seller has been given an opportunity to inspect the product alleged to be defective and the installation or use thereof. NO WARRANTY IS INCLUDED AGAINST ANY EXPENSE FOR REMOVAL, REINSTALLATION OR OTHER CONSEQUENTIAL DAMAGES ARISING FROM ANY DEFECT. THE WARRANTIES SET OUT ABOVE ARE THE ONLY WARRANTIES MADE BY SELLER AND ARE EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

CANPLAS INDUSTRIES LTD. reserves the right to change the aforementioned TERMS AND CONDITIONS OF SALE without notice.

CAUTION

The Seller does not recommend the use of thermoplastic piping systems for transport or storage of compressed air or other compressed gases or the testing of such systems with compressed air or other compressed cases, in exposed, above ground locations. Use of plastic piping products in exposed compressed gas systems voids our warranty for the products so used. For further information, contact your Canplas representative.

OTHER

In addition to sizes listed in this price list, other sizes may be available upon request.

The product names used in this price list are for identification purposes only. All trademarks and registered trademarks are the property of their respective owners.

OTHER

In addition to sizes listed in this price list, other sizes may be available upon request.

CAUTION**- Installing threaded fittings**

When installing threaded fittings, best practice requires that a suitable sealing medium, for example PTFE tape or non oil-based plumbers putty is used, to both seal the joint and ensure a positive and correct fit. Do not over tighten.

WASTE & OVERFLOW 3-in-1 - CONVERTIBLE

Direct Configuration Indirect Configuration Indirect Rear Outlet Configuration
